

Road to Hire

Program Overview

About Road to Hire

Road to Hire is breaking economic barriers in the greater Charlotte and Detroit areas! We provide paid professional and skill based training for young adults. Additionally, we walk along side our students and help with career planning and job placement.

In 2013, a study by Harvard and UC-Berkley ranked Charlotte 50th out of 50 in economic mobility among large U.S. cities. Road to Hire aims to change that narrative.

Student Requirements

To participate in Road to Hire, students must meet these requirements:
